*Dear Brother Knights,*

## ANSWER THE CHALLENGE

The new fraternal year now begins. We must all give our heart felt thanks to Neil Ferguson for the effort spent in running the council this past year. His guidance led us to the **number two ranking in the state** ... an act that will be hard to follow. He did it as a leader by example ... pitching in everywhere with our regular programs and initiating others. His energy seemed boundless, his attitude jovial and pleasant. I also thank him in advance for all the questions he will answer for me throughout this year! Great job, Neil!

Now, on to the future. I must first thank you for the confidence you have shown in me by electing me to the position of Grand Knight in our great council. I shall do my best to keep our group together in fraternity and assisting as many as we can with our charity. We shall strive to add as many Catholic gentlemen to the fold as possible. This need is great in order for us to continue our programs at the level they have attained. More on that coming. I am excited about getting started.

Unfortunately, my life has taken an unplanned and devastating turn. Without going into details, suffice it to say this turn shattered my life, broke my spirit, and sadly challenged my faith in God. I began to rail against Him. How could He let this happen? Why now? Why ever? I am far from a perfect being, but I do not deserve this. I thought you were only supposed to suffer this much in Hell. LORD, PLEASE HELP ME!

But, as hard as it is for me to believe right now ... I guess He is helping me. He is challenging my faith for some reason ... to make me better, to strengthen my beliefs, to mold me more into the image of Him as we are supposed to be. So, despite some occasional setbacks into depression and morose, I guess I am now ready to move on in life and answer that challenge to make myself a better person. I shall also accept the challenge by throwing myself into the Council and our programs. And I will need your help. Hopefully, you can find the time and offer it willingly.

Our Council is facing challenge as well. Due to primarily changes in location and careers, many of our brother Knights, who have "carried the load" in running and supporting our council activities and programs, can no longer fill those positions. We all need to answer that challenge! Please look within your soul and of course your schedule. See if you can commit to, not just participate in, but run one of our council programs during this fraternal calendar year. Many of the individuals who have worked these events would be great chairmen or directors. You know help would be abundant in running the events.

To make this easier, we have included a listing in this newsletter of all active programs and who has so far agreed to chair or run it. If the line is blank following the event ... we need you to consider taking it over.

Again, I look forward to serving you in the upcoming year.

Vivat Jesus.

*Mike Croyle*  
Grand Knight

## CHANCELLOR'S CORNER

Brother Knights,

I take keyboard in hand and attempt to write my first article. I can not promise to be as eloquent as my predecessor but do promise not to use this column to write love letters to my wife (Sorry Mike, it was too easy). This should be fairly easy, throw in some stuff about the founding of our country, the Declaration of Independence etc. and I should be done. Right!? Piece of cake. Boy, was I wrong. As I sit here late Sunday night and try to organize my thoughts, I can't help thinking about some of the recent headlines. The Supreme Court throwing out (on a technicality) the case that the Pledge of Allegiance is unconstitutional because of the words "under God". On the National WWII Memorial, Franklin Roosevelt's famous quote "will win through to absolute victory so help us God." The words "so help us God" were dropped. In Alabama, U.S. District Judge Myron Thompson's order to remove the Ten Commandments from the rotunda of Alabama's state judicial building. Is this the same country our forefathers were thinking of when they wrote "We hold that these truths are self evident, that all men are created equal, that they are endowed by their Creator with certain inalienable Rights...?" The next thing you know the words "In God We Trust" will be removed for our currency. All references to Moses and the Ten Commandments will be removed from the Supreme Court. The same revisionists that worked their "magic" on Franklin Roosevelt will be let loose on The Declaration of Independence. I know I am rambling a bit. Maybe it is the late hour. I guess my point or should I say my challenge for you is to reflect on the foundation of our country within the realm of our faith. Contrary to what the media and a few others think, we do not live in a godless country! We need to do our part to support candidates that uphold the values that this country was founded on.

## INSURANCE CORNER:

What Happens to Them if You Can't Care for Yourself?

Raising a family is costly. For many of us, there's not much left over for long-term goals...such as saving for our children's education or for retirement. Ideally, caring for a sick parent wouldn't have to be part of that equation. Yet as with so many things in life, the reality is quite different. Today, many people start families in their 30s and 40s - while their parents live well into their 70s, 80s, and 90s.

If one day you require nursing care, you might have to ask your children for help just when they're ready to send their own sons or daughters off to college. This is, in fact, a common dilemma among middle-aged people today. Experts have even coined a term - "the sandwich generation" - to describe those who are squeezed between these conflicting financial obligations. Knights of Columbus Care - a long-term care insurance plan - is the newest addition to the Knights' portfolio of insurance plans. It is available to members and their spouses ages 40 through 85, subject to underwriting requirements. You have a choice of nursing-home-only coverage, or comprehensive coverage - which also covers at-home and hospice care. In addition, you choose your daily benefit amount, benefit duration, and elimination period. This flexibility allows you to determine both your coverage and the premium you will pay. I can furnish details.

Nursing-home care can cost upwards of \$45,000 per year (Source: HCIA Inc./Arthur Andersen LLP, The Guide to the Nursing Home Industry, c. 1998.) That could easily force you to deplete assets or to rely on your family for help.

Contact me to find out how long-term care insurance can give you peace of mind.

## Business Meeting Minutes

June 14, 2004

Meeting opened at 08:05 P.M.

Reading of Minutes: Waived and accepted as printed in News-letter.

Admissions Committee & Reading of Application: None

Grand Knight's Report:

Awards! I know that winning awards isn't the reason for all the activities we do each year but I have to admit that it's a great feeling hearing "Council 11187 - St. Elizabeth Ann Seton" being called out for recognition. By now, you've all heard that we brought home several awards from the recent State Convention. Here's the list of what we earned:

**Measure Up** - Increase 10 or 20% over previous year.

**Administrative Specialist Award**

**Best Membership Activity for Div. IV** - Josephinum 1<sup>st</sup>

**St. John award for Programming Excellence**

**First place total programming for Div. IV**

**Best Membership Activity for the State** - Josephinum

**Second place overall** for general programming and membership!

In addition to these plaques, we earned 5<sup>th</sup> place in Membership and received a cash award of \$100. We also received \$25 for our membership chairman and myself for maxing out the Membership program.

Another recognition was received a little closer to home. The Pickerington Police & Lions club presented us with this plaque for our donation to the Soft Room. Bud Joos, Wayne Patterson and myself attended the dedication ceremony and I can assure you that our contribution was appreciated.

State Tour Meeting: There will be a State tour meeting on 7/11 to cover the details of the State program. The Officers, directors or any member that wants to become involved in the programs are welcome to attend.

Squires update: No information from Supreme as yet but I'm happy to announce that SK Steve Malott will be transferring to our council and his 3 sons will be transferring to our Circle.

Measure Up: I'd like to update you on our totals for the Measure Up campaign. We collected \$410 through the Gimme-5 program and \$4,728 from the corner and church collection for a total of \$5,138! Thanks again George!

Speaking of the Golf outing, there is another member of this Council that has run the golf outing for several years now - I don't know how many but he's done it since I've been here. He's an officer, a member of the degree team, and a participant in virtually every event we hold. At all those social functions, you can also count on his wife to be their pitching in to help. I've come to depend upon his advice and counsel this past year and would like to congratulate Bud & Terry Joos as our Family of the Month.

Chaplain's Report: Father Extended his congratulations on our awards. Thank the Knights for their support of the Parish. He talked of the pastoral council and what they are doing and what is to come from the Parish survey.

Treasurer's Report: Several Checks read and disbursed.

## Council 11187 List of Programs and Events

Below you will find a table of events and programs for our next fraternal year. We can always add more and usually do. Included is the time frame for the item and who is currently slated as its chair. Those with question marks following their names are those who usually run the event, but have not yet been asked. If you need any information on what running that event would entail, please contact Mike Croyle, any of our trustees, or one of our former primary setup and prepare guys, Pat Cleary. Mike's number and that of the trustees are located on the back of the newsletter. Contact Pat through email at [pcleary@insight.rr.com](mailto:pcleary@insight.rr.com)

The State Charity Raffle is approaching in August. Here are a couple of things we should be thinking about with the raffle. Most Knights view the raffle as an obligation rather than an opportunity to raise a good amount of money for our charitable work. In past years only a few Knights have actually sold their books. Most have just purchased what was assigned to them. This is fine, however we then only average 2-3 books sold per Knight. With over \$108,000.00 in total prize money last year, the raffle tickets should be easy to sell and the cause is one that is well recognized. Furthermore, with the opportunity to earn over \$3 per book sold, the raffle has the potential to be one of the Council's key fundraisers. So, as the raffle comes around this year ... SELL, SELL, SELL!

The State Raffle Chair Bob Eisenacher seeks your help in another manner as well. We need at least 10 Knights to serve as Captains for this program. The Captain's job is straight forward and easy. First, they are not expected to sell the raffle or chances anymore than we expect anyone else. Their responsibility will be for a certain number of Knights, distributing raffle books to them, and making several personal contacts for follow-up and follow-through. It is a particularly good job for a new Knight that wants to get to know other Knights.

## Brother Knights,

I would like to thank the council again for the help and support you provided me over the last year. It was an honor to see **your** efforts recognized at the State Convention and I am confident that this year will also be outstanding. I would also like to thank the many individuals that I depended on for advice, guidance and to ensure our programs were successful throughout the year. I'd list them but I know they would argue they didn't do anything special (and I might miss someone!).

Fraternally in Christ,

*Neil Ferguson*, PGK
