Back to School

Dear Brother Knights,

WOW, August already! In a few weeks the kids will be back in school and most of us will adapt to a different, but familiar routine

Vivat Jesus! - **Why Vivat Jesus?** I was curious about the closing my predecessors have used in past newsletters. The words *Vivat Jesus* are much more than a slogan or password for the Knights of Columbus. In these words, "Jesus lives!" we find the foundation, meaning and mission of our Order. Please read more about this elsewhere in this newsletter.

Important Feast Days: The Transfiguration of Our Lord Jesus Christ, August 6th. August 15th is the feast of the Assumption of Mary, our Patroness. Please be sure and take a few minutes to honor the Mother of God and thank her for her many intercessions.

Our **Program Directors** during this Fraternal Year are as follows: *Thank you Brothers!*

Church Director - Jim Thesing
Youth Director - Jesus Garcia
Family Director - Mike Phillips
Council Director - George Schneider, DGK
Membership Director - Mike Croyle
Community Director - **Open**
Right to Life Director - Edd Chinnock

Parish Festival: Sept 9-10-11 - What a great opportunity to work hard and share ourselves with our Parish Community and the Pickerington Community - Service to others, that's us, the KNIGHTS OF COLIUMBUS - wear your **blue shirts** proudly gentlemen!

Adoration: Stop in and visit Jesus, when you have something to celebrate or are in desperate need and feel like you have no where else to turn. Jesus welcomes visitors around the clock every single day. You don't have to stay for an hour, many people just pop in for 5 or 10 minutes. The Knights have a special hour from 5:00 to 6:00 am on Monday mornings, if you'd like a dedicated time to be with Jesus.

If you ever want to reach me directly with a suggestion, comment or complaint, my email is timbowie@hotmail.com and my cell phone is 614-361-9370.

Vivat Jesus!

Insurance Corner

I have a couple of statements to make today:

You know you need life insurance.

I realize it is not a glitzy purchase...it's not something you show off to your friends... but you know you need it. If you have some, chances are pretty good, great actually, that you need more!

And you know why you need it.

It's all about your family. It's not about you. It's about them. So, assuming you know it, and I know you need it, why aren't we getting together to arrange for it?

If nothing went wrong yesterday, what are the chances that something will go wrong tomorrow?

You're feeling good, you're looking good, you're loving life, and you have many other, more important things to do with your hard earned cash. The only time you really think about life insurance, really, is when we call you.

Thinking that you have an unlimited supply of tomorrows to make a decision on securing the future for your wife, children and grandchildren is both foolish and dangerous; it personally has happened to me.

Let's talk-740-277-7381.

August, 2011

Pope John Paul II's beatification to sainthood is meaningful not only to the world and to the Church but also to the Knights of Columbus.

This month is the third in a series of eight addresses by John Paul II to the Knights of Columbus.

"I urge you to persevere in doing good works and to remain steadfast in the Catholic faith which has been handed on to you be the Church. A passage from St. John expresses my sentiments well....

"My reason for having written to you is not that you do not know the truth, but that you do" (1Jn 2:21).

Let what you have from the beginning remain in your hearts.

Respect Life: NRL Pro-Life Junior Essay Contest

Our young people really get it! Sometimes they can express what we all feel better than anyone. The following essay was written for the National Right to Life Pro-Life Essay Contest. Anna Maria Divozzo of Ada, Michigan won first place at the junior level grades 7-9.

Soul or Cell

"I call Heaven and' earth to witness this day, That I have set before you life and death, blessing and cursing: Choose therefore Life" (Deut. 30:19)

Women are sanctuaries of human life. We bear the most amazing privilege of having life formed within our bodies. What a glorious gift from God, what a wonderful sanctity He as bestowed upon women. Women have the great responsibility, that most wonderful privilege, of bringing life into the world.

Pro-abortionists argue that the fetus is not yet a human life. But this has been scientifically proven to be wrong. Doctors are not just blotting out a live cell when they perform an abortion, they are quenching the fire of a new life and they know it.

Women know this too. As soon as she can feel the movement of human life within her, she knows. And how could she not know? Life within life; it is most wonderful. There must surely be a bond between the woman and the tiny human life she carries within her for nine long months-a bond that blooms into a mother's love for her child, if only it were given the chance.

And after that, after sustaining this baby's life with her own, she heartlessly and for her own convenience, snuffs out that life that had barely begun without every giving it a chance.

Our very own Declaration of Independence states that: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness ..."

There, our very own Declaration of Independence states that every human being has the right to life. And now that it is a scientific fact that the fetus is a human being, that means that he too has the right to Life, Liberty, and the pursuit of Happiness. So perfect is the argument that it almost seems that our fore-fathers wrote it in defense of the unborn.

Abortion may or may not be against the Constitution, but it is against the American spirit. With the knowledge that an unborn child is, without a doubt, a human being, we cruelly deny him the rights that Americans have fought and died for, for the past two centuries. We fought a war- for our freedom, we fought a war for the freedom of slaves, wars for the freedom of other countries. Freedom is our cornerstone, freedom is America in a nut shell, freedom and the unalienable rights of man Life, Liberty and the pursuit of Happiness.

"All men are created equal," all men, born or unborn. We must protect the rights that 'the unborn deserve, the rights that can't be denied them. We must give them the chance to become good American citizens who may become great people and do great things for their country. And it all starts with that little decision of letting them live.
