Kitchen Equipment Update and a Thank You

At the June Business meeting our council approved a motion to spend up to \$XXX to purchase used food service equipment for our Seton kitchens. The following was purchased using the \$XXX: 2 rolling food warmer cabinets, a rolling rack for sheet trays, various sized plastic and stainless steam table pans, 11 sheet pans, 2 cash registers and 2 free standing menu boards. These items will enhance our parish and council food related events - especially the upcoming Seton Family Festival.

While doing the above shopping a commercial pass through refrigerator was acquired that was not working. Parishioner Walt Lindeboom recommended Wenger Temperature Control to take a look at the unit. A serviceman came out, got the unit running great and said the service would cost \$200. When arranging for the payment, the following email was returned by Joe Wenger:

"As my Brother is a Knight, and my Father was a Grand Knight, and the equipment was donated, there will be no charge for the call. Let me know if it warms up so that we can find the leak, also for no charge. Keep us in mind for your Parish HVAC & refrigeration need.

*Take care,
Joe Wenger"*

Huge thanks are in order to Joe Wenger. This just goes to prove that we are in a very special organization that keeps each other in mind.

Thanks,

Festival Food Committee

P.S. Please consider joining your Brother Knights in the food area of the festival when the sign ups begin.

August 2012

I was informed in the last few weeks that our sister-in-law (Lucille) and a niece (Penny) are afflicted with lung and brain cancer.

During my bout with the dreaded disease I received this little note from one of many who were rooting for me on the sidelines.

Thanks again to you Knights and your spouses for your support and prayers and I ask you to take a second to do the same for these two lovely people.
