Happy Anniversary 25 Years!

600 Hill Road North,
Pickerington, Ohio 43147

1 October 2018
Volume 25, Issue 12

Dear Brother Knights,

FALL IS HERE! Hopefully, no more hot days ahead. Maybe we can turn off the AC and the furnace off for a bit, but alas we do live in Ohio. Football is in full swing, baseball is wrapping up, and you know what the means...we are about to get busy!

I would like to thank Mike Yost for covering for myself and Thom. We were both out for our last Business meeting and he more than adequately covered for us by leading the meeting.

We start off the month with the first of our great pancake breakfasts on the 21st. This will then be followed by the Fall Family Festival on the 27th. Both these events are important to us. The pancake breakfast starts our fundraising activities for the year and the Fall Family Festival is the first of our social, fun gatherings for the parish. Both events can use all the help you can provide. Please, if you can, take some time to lend a hand. The committees would be most appreciative of the extra help.

Last month I touched on the attacks on our Church, both internal and external. I wanted to talk a bit more about it and as you know Fr. Jim has provided two listening sessions for the Parish. But, after thinking about it, it would be my opinion and only my opinion. So what can we do? That is easy...

PRAY

Pray that God looks after the men running his church and gives them the proper guidance to get his house back in order. Remember that the Holy Spirit is what guides us and we should remember who is in charge.

Respectfully, Yours in Christ,

Jesus V Garcia III

Back on July 22nd, 2018, the St. Elizabeth Ann Seton Columbian Squires sold candy after all masses to raise money for the new heating and cooling units at the Parish Activity Center that were no longer working. Once completed, they were able to donate a grand total of \$242.00 to the cause! The Squires thanks all the parishioners for their candy purchases and any additional donations that they provided!

Culture of Life: Pregnancy from Rape

Supporting Life From Conception Until Natural Death

A rape victim becomes pregnant - what situation could be more emotionally charged than that?

Even among those who are pro-life, some individuals are tempted to condone aborting children conceived from rape out of a natural empathy for the rape victim. Abortion advocates love this situation, using it constantly to show the “need” for abortion to be legal. Because abortion is already legal for any reason, their real purpose is to marginalize those who are pro-life by painting them as insensitive and rigid.

Rape is not a sex crime - it is a crime of violence, of power and control. Stranger rape is estimated to be between 8 and 20 percent of all rapes. The vast majority of rape is committed by someone the victim knows - husbands, boyfriends, family members, and acquaintances. The vast majority of victims were related to or in a relationship with their attacker.

The number of pregnancies resulting from rape is frequently overstated. Relatively few rapes result in pregnancy because a single act of unprotected sexual intercourse only results in pregnancy 2 to 4 percent of the time, 10.9 percent of women are infertile, and more than 41 percent are using contraception. Only one percent of women report rape as a reason for abortion and less than one-half of one percent report it as the main reason.

Abortion advocates perpetuate the myth that pregnant rape victims generally desire abortion, and this makes it difficult for women to choose the life-giving alternative for their child. We must not forget that pregnant rape victims are not suddenly separated from the person they were before the rape. They bring to this difficult journey their beliefs, their sense of right and wrong, and everything else that they were.

The abortion rate among rape victims (50 percent) is not substantially higher than among all women who report an “unintended pregnancy” (40 percent). A study of 164 such women found that the majority of those who had abortions regretted having done so and said the abortion caused them additional problems. Among those who delivered a child conceived by rape, satisfaction was higher, and none stated any regret for having given birth.

Abortion, then, is not an inevitable choice. The loving support of family, friends, and counselors can make a huge difference.

Culture of Life Chairman

Calling all Knights!!

The Seton Respect Life group chose this Wednesday, October 10, as our day to pray at the Planned Parenthood abortion clinic. We will be praying from 7 am to 7 pm at 3255 E. Main St. (just east of James Rd).

While we have most hours filled, **We are in desperate need of people to pray at the following hours:**

7 am	3 pm
8 am	5 pm
1 pm	6 pm

We would love to have two people sign up for each hour, but that is not required.

You do not need to do any sidewalk counseling, just pray for an hour for the babies being aborted, their mothers, the doctors and the clinic staff.

Please let Vicki or Edd Chinnock (740-927-5099 or echinnock@aol.com) know if you can fill one or more of the open hours. Feel free to come at any of the other hours as well if you cannot make one of the empty hours.

Thank you for your help with this important ministry.

Edd Chinnock
