Memorial Day - 26 May 2019

600 Hill Road North,
Pickerington, Ohio 43147

1 May 2019
Volume 26, Issue 7

Dear Brother Knights,

It's May! Five months into the new year and its flying by! So this month we will be holding elections for the 2019/20 Fraternal year. As you know all the offices are open to any 3rd degree member in good standing, with the exception of the Financial Secretary, which is an appointed position from Supreme. So really consider jumping and helping your Council out. There are also a couple director positions coming open, one being the Program Director and Right to Life, both Dick and Edd and will help with the transition.

We now turn our attention to what was supposed to be a "slow" down for us, but we have the following:

- 1st Communion (May 4th),
- Blue Coats Dinner (May 4th),
- Confirmation (May 6th),
- Mother's Day (May 12th),
- Wives' Appreciation Dinner (May 18th),
- Convention (May 17th -19th),
- Measure Up (TBA)
- Memorial Day (May 27th)

so another busy month and as always please help if you can.

I wish all ladies of the Council a wonderful Mother's day and guys do not forget to call your mom ... without her, you would not be here. If your mom has gone to be with our Father, remember to thank her in your prayers, She will be listening ...

"Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military." We have a number of brother Knights that are part of the Military family, during May, we remember those that have past, but please thank everyone who is still with us!

This months business meeting will start at 7:00 with the presentations of the Scholarship and the "of the Year" Awards. Please come early and cheer on the winners.

I would like to thank and wish Mike Williams, our outgoing Field Agent, the best in his new assignment, it was always a pleasure to have you at our meetings.

Culture of Life: Heartbeat Bill

Supporting Life From Conception Until Natural Death

The Ohio legislature recently passed the Heartbeat Bill and Governor DeWine signed it into law. Basically, the bill forbids abortion after a baby's heartbeat can be detected, usually around 6 weeks of gestation. Of course, Planned Parenthood and the ACLU immediately challenged the bill in court. As of this writing the courts have not ruled on this challenge, but PP and ACLU will undoubtedly find a liberal judge to halt enforcement of the new law until a higher court can rule.

In light of this, I thought you might be interested in some facts about the development of an unborn baby:

- Day 1:** Fertilization: all human chromosomes are present, and a unique life begins.
- Day 6:** The embryo begins implanting in the uterus.
- Day 22:** The heart begins to beat with the child's own blood, often with a different blood type than the mother's.
- Week 6:** Brain waves are detectable. The mouth and lips are present, and fingers are forming.
- Week 7:** Eyelids and toes form. The baby now has a distinct nose and is kicking and swimming.
- Week 8:** Every organ is in place; bones and fingerprints begin to form.
- Weeks 9/10:** Teeth begin to form, fingernails develop; baby can turn head and frown.
- Week 11:** Baby can grasp object placed in hand.
- Week 17:** Baby can have dream (REM) sleep.

As you can see, the baby is quite developed much earlier than most people assume. Note that the heart begins to beat around week 3 but is not normally detected until about week 6, which is when the Heartbeat Bill prohibits aborting the baby. The traits described above are scientific facts and no matter how PP and other abortion proponents spin it, the baby is a unique human being from conception on day 1.

On another note, if you want to see a truly moving faith-based movie, go to see *Breakthrough* while it is still in the theaters. I saw it yesterday and it is a great film. It is the true story of a 14 year old boy who falls through the ice of a lake and is given up for dead until his mother's intense faith and prayers bring him back to life. Definitely a movie worth seeing!

Council Officer Duties

Gentlemen, the time has come for our election of officer's for the next fraternal year. Many ask at this time, of the duties of the positions. These are listed here below for your consideration.

For any of you who wish to eventually attain the position of Grand Knight, a good practice (but, not a requirement) is to hold all offices.

This aids you in directing your officers once in the top spot.

Grand Knight: The Grand Knight is responsible for the welfare of the council. He presides over council meetings, acts as an ex-officio member of all committees, appoints a membership and programming director, convenes officers for a monthly meeting, and ensures all necessary reports are submitted to the state and Supreme Council. He should also be aware of the council's financial status and ensure that his signature appears on all checks drawn. The Grand Knight is a member of the Advisory Board with general supervision of the council's Columbian Squire circle.

Deputy Grand Knight: The Deputy Grand Knight is second in command. He assists the Grand Knight with council affairs and fulfills all duties assigned to him by the Grand Knight. Should the Grand Knight be absent from a council meeting, the Deputy Grand Knight presides. He is chairman of the council's retention committee and also a member of the Advisory Board charged with overseeing the council's sponsored Columbian Squires circle.

Chancellor: The Chancellor has a variety of responsibilities. Primarily, he assists the Grand Knight and the Deputy Grand Knight in the execution of their duties and oversees the council in both their absences. He is charged with strengthening the members' interests in council activities. The Chancellor is chairman of the admission committee and a member of the Columbian Squires circle ceremonial team.

Recorder: The Recorder is similar to a court reporter or a secretary. He is responsible for maintaining a true record of all actions of the council and its correspondence.

Treasurer: The Treasurer is responsible for the safekeeping and maintaining records of all council funds and accounts. He is responsible for depositing money into the council's accounts and provides a certificate of such monies to the Grand Knight. He is also responsible for payment of all expenses.

Advocate: The Advocate is the legal representative of the council and serves as the council's attorney at trials and investigations of any interest to the council. While he does not need to be a member of the legal profession, he should be familiar with the council by-laws, the Order's Charter, Constitution and Laws, Methods of Conducting a Council Meeting, and Robert's Rules of Order.

Warden: The Warden is the 'watchdog' for council property and degree paraphernalia, except the property of the financial secretary, treasurer and recorder. He is also responsible for setting up the council chambers for meetings and ceremonial work. During ceremonial exemplifications, he will appoint and supervise guards.

Inside/Outside Guards: The Guards have similar responsibilities, but distinct differences. The Outside Guard tends to the outer door admitting visitors and members to the inner door. Once at the inner door, the Inside Guard checks to make sure that their membership cards are current.

Board of Trustees: The Board of Trustees consists of three members elected by the council and the Grand Knight, who serves as chairman of the board. They oversee the work of the Financial Secretary and Treasurer, and with the Deputy Grand Knight serve on the council's retention committee. During council elections, only the Three-year Trustee is voted on, with the others moving on to become two and one-year trustees, respectively.

If you have any questions, please contact any of the current officers.
